G3 GUARDIAN

THE FUTURE OF EMERGENCY LIGHTING IS NOW

MANUAL CODE COMPLIANCE TESTING & REPORTING IS HISTORY.

Exitronix intelligent emergency lighting solutions are designed to be **controlled entirely from your tablet**, enabling you to access the **Guardian G3** from your desk.

By hosting **G3** locally, you can bypass your IT department. The data is securely stored on your gateway, **providing utmost network protection** against potential hackers.
SAVE OVER $100 PER UNIT PER YEAR

- **Save on operational and maintenance costs**, eliminating the need for manual collection and recording of data
- **Test, monitor, and pull reporting via software on your tablet** within the building, completely eliminating the disruption of your operations
- Benefit from having **advanced awareness of failure statuses**, enabling fixtures to be repaired immediately, enabling you to be prepared for inspection
- **Combat personnel risk** by mitigating unnecessary ladder climbing

FEEL SECURE IN THE KNOWLEDGE THAT GUARDIAN G3 IS PERFORMING YOUR EMERGENCY LIGHTING TESTING WITH **100% ACCURACY**.
